WORKSHOP ON DYSLEXIA ASSESSMENT FOR LANGUAGES OF INDIA - DALI

*If a child
can't learn
the way we
teach,
maybe we
should teach
the way they
learn!*

A training workshop on Dyslexia Assessment for Languages of India (DALI) will be conducted on **September 7-8, 2018** at the **Centre of Behavioral and Cognitive Sciences, University of Allahabad**. This workshop aims to equip teachers and professionals dealing with children at risk for dyslexia to enable early identification of the concerns a child may have related to reading/writing difficulties.

Key Components:

- Screening
- Assessment
- Discussion about the tool and hands on experience with DALI

Day 1: Screening tool for Dyslexia for school teachers and professionals

Day 2: Assessment for identification of children with Dyslexia for professionals including Clinical psychologists, Speech pathologists/therapists, Special educators and School counsellors/psychologists

Pre-registration can be done via **SMS** to confirm participation. Kindly mention:

Your name, affiliation (School/College/institution/organization), designation and contact number and email ID and send it to **9795109712/8417913333**
